Dear Community Member,

Francis Scott Key High School's Drama Department is doing exciting things and we could really use your help! This Spring, on April 22nd, 23rd, 29th, and 30th, FSK's Key Players will be presenting *Shrek The Musical*. This musical will help to unify our community with over 75 students participating, including not just FSK students, but also students from Northwest Middle, Taneytown Elementary, Runnymede Elementary, and Elmer Wolfe Elementary. This will be an important event since theater is about so much more than putting on a play or musical. Did you know that being part of theater performances encourages students to imagine, create, act, and discover their potential as artists? Participation requires discipline, pride, and respect for others and provides students with many opportunities for growth as performers, technicians, and lifelong learners. We are hoping that by including students from area schools, it will not only foster these traits but also create an earlier awareness and love of the dramatic arts, as well as give more students like me a chance to perfect my craft.

However, this is a huge undertaking and here's where we need your help. Putting on an amazing production for the entire community to enjoy costs money. Our expenses include providing costumes for over 75 students, licensing, sets, materials, and publicity. Your donation would help to offset these expenses. I would love your support in order to give students like me the opportunity to reach my full potential and put on an amazing performance.

Can I count on you to help? I am asking for a tax deductible donation sent to the above address along with the enclosed paper by April 10th. Checks can be made out to the FSK Choral and Drama Boosters. No donation is too small! Thank you in advance for supporting this meaningful program and for allowing me a chance to be a part of this wonderful production. I also hope you will attend our show so you can see how your financial support can provide valuable educational experiences for students and quality entertainment for our entire community.

My deepest gratitude,

*Alyssa Kitzinger*
